

# CRAVEN ROAD RESIDENTS ASSOCIATION

*Our goals are to celebrate, protect and enhance the unique heritage and character of Craven Road, its urban canopy and its eclectic architecture.*

## Hello Craven Road Residents!

After a very successful first meeting in March, we are ready to have our second Craven Road Residents Association meeting! We hope you can make the date:

**Ashdale Library's meeting room on April 27, 12:30 to 2:00 p.m.**

We'll be planning our first social event to bring residents from both ends of Craven Road together. We hope to share where we're at in our aim to incorporate and develop a website. You'll hear our latest updates and news about a Craven Road Neighbourhoods tree canopy initiative ([neighbourhoods.org](http://neighbourhoods.org)).

Come share your thoughts!

Please email us at [craven.road@yahoo.com](mailto:craven.road@yahoo.com) if you are interested in attending our in-person meeting - or simply show up!
